

RIDERS WANTED!

Liebe Riders Liebe Bike-Freunde

Nach drei erfolgreichen Austragungen in Biel ziehen die Bike Days nach Glattpark (Opfikon) bei Zürich. Im boomenden Zürich-Nord soll das dreitägige Velo-Festival weiter wachsen. Die Bike Days bieten Velobegeisterten von 11. bis 13. Mai 2007 Messe, Wettkämpfe und Shows.

Eigens für den Event werden eine professionelle BMX- und 4-Cross-Rennstrecke und eine Dirtline gebaut. Darauf finden Contests auf höchstem Niveau statt. Bei allen Competitions möchten wir das Fahrerfeld mit eingeladenen Top-Riders und mit Qualifiers besetzen. Wir bieten euch damit eine gute Gelegenheit, eure Bike-Welt wirkungsvoll in Szene zu setzen.

Dear riders Dear bike friends

After three successful years in Biel/Bienne the Bike Days are moving to Glattpark (Opfikon) on the northern edge of Zurich. In this booming development zone the three-day Bike-Festival is set to grow further. From May 11 through 13 the Bike Days offer a comprehensive tradeshow, exciting competitions and attractive shows to all ages of cycling-enthusiasts.

A professional BMX- and 4-Cross-Racetrack as well as a dirt-line will be purpose-built for the event and will host a series of top-level competitions. The starting-grid is to be partly filled with seeded team riders and partly with qualifiers from open qualifications. We are thus offering you the chance to effectively showcase your bike world.
